PRE SALES MARKETING CAMPAIGNS

POWER PLATE & BIODENSITY's marketing program gets you the leads you need to hit the ground running with members before you open your doors. A POWER PLATE & BIODENSITY onsite field trainer will assure a smooth transition from the pre-sales phase to opening and operating.

WIN: WHATS IMPORTANT NOW

POWER PLATE & BIODENSITY's proven marketing and lead tracking program helps insure participating centers have a consistent flow of prospective members.

One-on-One, Partner and Group coaching through the WIN Program is designed to support your mastery of KPIs, lead nurturing, and member retention tactics.

You are part of the POWER PLATE CENTER Family. Each year we gather together from around the region to connect, share, and celebrate from each other.
